The versatility of plain white socks is unparalleled. They are comfortable. They are practical. They are classy. Not to mention that if you get tired of them, there are hundreds of uses for your castaways. Need to polish up your Porsche? Your socks are there. Need to keep ladder marks off the wall? Socks got you covered. Wash bag for small object? Done. Chew toy for Fido? Got it. Whiteboard eraser. Napkin. MP3 cozy. And let's not forget the iconic sock monkey. Socks are truly one of man's great inventions.

What does this have to do with youth work? Not much. But, we know that youth workers need to have an arsenal of talents, tools, and ideas to have a productive and spiritually maturing youth ministry. Come away for a day and add a few "socks" to your drawer of ideas.
